## Management Accounting Section (MAS) Midyear Meeting Change Announcement

### **IMPORTANT ANNOUNCEMENT: The 2022 MAS Midyear Meeting Is Changing to a Virtual-Only Setting**

Dear Members,

In light of the recent rise in COVID-19 numbers and increased airline cancellations, the Management Accounting Section Leadership has made the decision to move the **2022 Management Accounting Section Midyear Meeting: Research Conference, IMA Doctoral Colloquium, and CGMA Teaching Symposium** to a **virtual-only delivery**, as opposed to the hybrid in-person/virtual meeting that was scheduled to take place in Portland, OR, next week, **January 6-8, 2022**. After much discussion over the past two days, we felt that shifting to a virtual format would be the best for the Section and all of the members attending and presenting at our Section meeting. We recognize that the decision to shift to a virtual-only meeting may impose a financial burden on you related to airfare and other travel costs. We are working to get a sense of what can be done, if anything, given financial and other potential constraints.

#### **Meeting Details**

The virtual meeting will still take place **January 6-8, 2022**. Information about accessing the conference site will be sent to registrants no later than **Wednesday, January 5, 2022**. Your current meeting registration will provide you with access to the virtual conference site.

#### **Hotel Reservations**

If you made your hotel reservation within the AAA room block, those reservations will be automatically canceled for you. For any reservations made outside of the AAA room block, at a different hotel, or via a third-party site, you must cancel your own reservations.

We are fully committed to providing you with a great meeting and look forward to seeing all of you virtually! If you have any questions about your current meeting registration, please contact the American Accounting Association at [info@aaahq.org](mailto:info@aaahq.org).

Regards,
